

Every child is
★ an artist ★

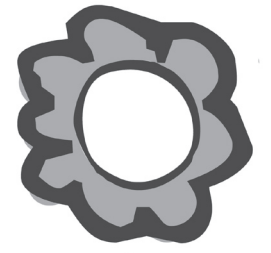

Because we want our children to
develop their creative abilities:

- We never tell them what to draw or to make
- We let them decide what they want to do
- We never draw or make items for our children

We let them do it.

Who cares
about mess?

The product of your child's process
may eventually be discarded but
what happens to your child's mind
as they work remains **FOREVER**
